

Janitorial Services

We work for you.

We are a full service janitorial and maintenance company serving the Portland area for over 38 years. Clean, well-kept facilities enhance corporate image and provide a healthy environment for your customers and employees. With our experience, we have developed the most advanced cleaning technologies and methods to do the job well.

We check our work.... In more ways than one. Not only do we have a detailed training approach with our janitorial employees, we also provide a customer service person once a month to come and check in with you during the day.

We get it right....

The first time.
